

# Statement of Faith

## Who we are and what we believe....

- We are a community of men and women who are followers of Jesus Christ. We desire and pursue to live authentic lives, show humility and accountability, display vulnerability, and seek meaningful relationships which reflect Jesus' example of servanthood to all people.
- We are passionate about young people finding their identity, belonging and purpose in God.

## We believe...

- In one God who is relational and personal in nature and who makes himself known as a community of three Persons yet One God.
- That all people are created in the image and likeness of God, that both male and female bear Gods' image and have been mandated to steward his creation together.
- The message of the Bible and Jesus' example speaks of equality in value and worth, mutuality in submitting to each other, respecting, and championing one another out of reverence to Christ.
- Through choosing independence from God, our human nature became corrupted which resulted in inferiority and superiority in all our human relationships and in our relationship with creation.
- Jesus' surrender to God's purpose and plan provides the way to, restoration, healing and reconciliation with God, people and creation.
- The Bible is inspired by the Holy Spirit and has the power to transform lives. Interpretation of scripture can differ, and therefore we commit ourselves to learn and grow in our understanding of scripture in community with other Christ followers.
- In the potential of young people and in the power of discipleship and mentorship.
- That the three pillars identity, belonging and purpose are foundational in developing a godly worldview which shows love and respect for God, us, others and creation.
- Our goal as individual believers and as a community is to grow into Christlikeness with the help of God's word the guidance of the Holy Spirit and to continue the work of Jesus till, He returns.
