

OUR VISION IS TO  
SEE YOUNG  
WOMEN AND MEN  
FIND THEIR  
IDENTITY,  
BELONGING, AND  
PURPOSE IN GOD.

We believe that dignity is God-given and essential to the spiritual, emotional, and physical health of young women and men.

This is why we are passionate about coming alongside them in a way that is practical and effective, impacting all areas of their lives and well-being.

"WITHOUT DIGNITY,  
IDENTITY IS ERASED."

-Lauren Hillenbrand

*thobisa* HAS A DREAM.  
*She wants to be a nurse. She has always had a desire to help others.*

Unfortunately, Thobisa never has had someone to look after her, and if this wasn't hard enough, she also has to look after her three siblings. Her father is an alcoholic and is not contributing towards the care of the family. Thobisa cannot afford menstrual products, which means she misses one week of school every month and may not be able to complete her education. This is not the way to make her dream a reality. One day, an auntie invited her to a Dignity Day for girls, hosted by her church.

At this event, Thobisa heard about how much worth and value she had. She learned that she was made in the image of God and that her life had purpose. They even taught her about the female body, puberty, and the menstrual cycle.

When she was asked if she would like to choose a menstrual cup or washable pads and panties as a gift, she made her choice. She went home that day feeling empowered to continue pursuing her dream.
